Constitution of the District of Mount Waddington Access Society

1. Name

The name of the society is **District of Mount Waddington Access Society**.

2. Purposes

The purposes of the society are:

(a) To promote, develop, improve, and maintain public access to hiking, climbing, and mountaineering opportunities within the Mount Waddington regional district, including the development, restoration, and maintenance of recreational trails, wilderness access routes, and climbing areas.

(b) To support the development, operation, and maintenance of community climbing facilities, recreational programs, and infrastructure that facilitates safe and responsible outdoor recreation.

(c) To promote outdoor education, responsible recreation, environmental conservation, and stewardship of natural areas used for hiking, climbing, and mountaineering, including activities that minimize recreational impacts and protect the surrounding environment.

(d) To encourage community participation and volunteerism, reduce financial, physical, and social barriers to outdoor recreation, and foster cooperation with governments, landowners, organizations, and other stakeholders to improve recreational opportunities.

(e) To support community safety and emergency preparedness by facilitating the sharing of local knowledge and expertise concerning wilderness terrain, trails, and access routes with appropriate organizations and authorities.

(f) To advance education and professional development in outdoor recreation by providing scholarships, grants, and financial assistance to individuals pursuing education, training, or careers in outdoor guiding, outdoor tourism, and related fields, with an emphasis on supporting individuals who intend to return to or work within the Mount Waddington region and contribute their skills to the local community.
